Additional Information

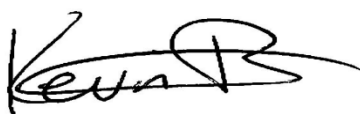

All other squads will continue to train as per the current training programme that was introduced on 21st June 2010, until the club's annual shut down commencing: **Friday 13th August till Monday 30th August INCLUSIVE** (last sessions will be on Thursday 12th August!)

Prior to the **31st August** new squads will be finalised and an updated training programme will be released which will detail pool time at various venues for specific squads.

Please accept my apologies for all the recent changes to the training times and venues of various squads over these last few months. Unfortunately this year have been fraught with many forced changes to pool time, even this week, but hopefully the new programme for the next season will stay set in place for some time to come.

Should you have any questions please get in touch.

Kind Regards
